2<sup>nd</sup> March 2026

Dear Parents and Guardians,

We are delighted to share the exciting news that our annual **Danceathon Fundraiser** will take place on **Monday, 16th March!** This high-energy event will see our pupils dancing non-stop for **one whole hour** to their favourite *Just Dance* tracks.

Following the outstanding success of last year's event — which was filled with incredible enthusiasm, teamwork, and school spirit — we are looking forward to making this year's Danceathon even bigger and better!

The Danceathon is about much more than raising money. It is a wonderful opportunity for us to come together as a school community, create lasting memories, support positive mental well-being, and celebrate the joy of movement. Dancing helps relieve stress, boost mood, and strengthen friendships. Most importantly, it allows everyone to have fun, encourage one another, and be part of something truly special.

This will be a **sponsored event**, and your child will be bringing home a sponsorship form. We encourage you to support them in seeking sponsorship from friends, family, and neighbours. Every contribution makes a difference and gives loved ones a chance to be involved in this memorable occasion.

Funds raised from this energetic event will support school funds and enhance curriculum resources and learning opportunities for all students. A proportion of the money raised by Year 8 pupils will go towards their end-of-year prom.

All donations, no matter the amount, are sincerely appreciated. Please send sponsorship money in **cash**, enclosed in an envelope clearly marked "Danceathon" along with your child's name and class. We kindly ask that donations be returned on the day of the event or by **Wednesday, 18th March** at the latest.

Finally, all pupils should come to school wearing their PE kit on the day of the Danceathon.

We look forward to a fantastic day of music, movement, and community spirit!

Thank you for your continued support in helping us create memorable and enriching experiences for our students. Let's dance our way to success!

Warm regards,

*C Wallace*
